

# Acryl Pro Builder Gel 3F

delivers the rigidity and structural strength of acrylic in a gel format — without the dust, odor or complex mixing ratios. Ideal for clients requiring extra reinforcement or for building structured salon shapes with confidence. Excellent adhesion and strong wear performance make it a reliable choice for demanding nail extensions and overlays.

Acrylic-like strength · Structural extensions · Precision sculpting · Professional use only

## Acrylic Strength

Delivers rigidity and durability of acrylics in an easy-to-use gel system

## High Stability

Maintains structural integrity under mechanical stress and daily wear

## Structured Extensions

Ideal for building confident, salon-quality nail architecture

## Salon Confidence

Trusted by professionals for uncompromising performance

## Preparation

- Nail must be clean, dry and properly prepared
- Remove all shine from the nail plate
- Remove all dust from the nail plate
- Dehydrate the nail plate and apply a primer before application
- Apply over a fully cured base gel
- Do not apply to damaged, broken, infected or inflamed nails
- Do not apply to skin or surrounding tissue

## Application

Apply over a fully cured base gel. Build the desired nail architecture using a brush, working in thin, controlled layers. Finish with a top coat from the Spotlight Cosmetics range.

## Cure Times

| LAMP TYPE        | WATTAGE | CURE TIME |
|------------------|---------|-----------|
| UV lamp          | 36W     | 2 min     |
| LED lamp (405nm) | 9W      | 1 min     |
| Hybrid UV/LED    | 36W     | 1 min     |

Cure times may vary depending on lamp model, layer thickness, and product shade. Always ensure full cure before proceeding.

## Storage & Handling

- Store at 15–25°C in a cool, dark place
- Keep away from direct light, heat and open flame
- Keep container tightly closed when not in use

## Shelf Life

Up to 12 months from production date, if stored under proper conditions.

## Professional Use

This product is manufactured for professional use only. Spotlight Cosmetics B.V. accepts no liability for results arising from incorrect application, incompatible equipment, or use by untrained individuals. By purchasing, the Purchaser accepts full responsibility for correct use and onward distribution in accordance with applicable regulations.

## Liability

Spotlight Cosmetics B.V. accepts no liability for adhesion failure, incomplete cure, adverse reactions, or unsatisfactory results arising from incompatible lamp equipment, incorrect application, deviation from this protocol, or use by untrained individuals. The Purchaser assumes full responsibility for verifying product performance under their specific working conditions prior to professional use.
