

BondX Base Clear 3F

is a universal adhesion-promoting base coat, specifically designed for excellent bonding to the natural nail. Available exclusively in clear, it features a low-viscosity texture ideal for use under builder systems where no additional volume is desired.

Soak-off · Clear only · Low-to-medium viscosity · Professional use only

Bonding Layer

Under Polygels, Builder Gels & Gel Polish

Excellent Adhesion

To the natural nail plate

Soak-Off Formula

Easy removal when needed

Universal Base

Compatible with all gel systems

Preparation

- Nail must be clean, dry and properly prepared
- Remove all shine from the nail plate
- Remove all dust from the nail plate
- Dehydrate the nail plate and apply a primer before application
- Do not apply to damaged, broken, infected or inflamed nails
- Do not apply to skin or surrounding tissue

Application

Apply a thin layer to the prepared nail plate using gentle rubbing motions with a brush. Do not apply in excess. Cure immediately after application.

Cure Times

LAMP TYPE	WATTAGE	CURE TIME
UV lamp	36W	2 min
LED lamp (405nm)	9W	1 min
Hybrid UV/LED	36W	1 min

Cure times may vary depending on lamp model, layer thickness, and product shade. Always ensure full cure before proceeding.

Storage & Handling

- Store at 15–25°C in a cool, dark place
- Keep away from direct light, heat and open flame
- Keep container tightly closed when not in use

Shelf Life

Up to 12 months from production date, if stored under proper conditions.

Professional Use

This product is manufactured for professional use only. Spotlight Cosmetics B.V. accepts no liability for results arising from incorrect application, incompatible equipment, or use by untrained individuals. By purchasing, the Purchaser accepts full responsibility for correct use and onward distribution in accordance with applicable regulations.

Liability

Spotlight Cosmetics B.V. accepts no liability for adhesion failure, incomplete cure, adverse reactions, or unsatisfactory results arising from incompatible lamp equipment, incorrect application, deviation from this protocol, or use by untrained individuals. The Purchaser assumes full responsibility for verifying product performance under their specific working conditions prior to professional use.
