

## KeraFibe Builder Gel 3F

is a strengthening builder gel formulated with keratin and fibers to reinforce and protect the natural nail plate. The embedded fibers form a durable, flexible structure during application, significantly reducing the risk of splitting and delamination. The one-phase formula can be applied directly without a base gel, making it efficient for everyday salon use. Self-leveling consistency with thick viscosity — ideal for the "no file" technique. Available in clear and cover shades.

Fiber-reinforced · Keratin-infused · Can be used as one-phase gel · Professional use only

### Fiber Reinforcement

Visible synthetic fibers form a durable, flexible protective structure over the nail

### One-Phase Option

Can be applied directly without base gel by experienced technicians on suitable nail types. Base gel is recommended for optimal adhesion

### No File Technique

Self-leveling consistency perfectly suited for no-file application

### Technician's Choice

A long-standing professional favourite trusted in salons for years

### Preparation

- Nail must be clean, dry and properly prepared
- Remove all shine from the nail plate
- Remove all dust from the nail plate
- Dehydrate the nail plate and apply a primer before application
- Base gel application optional — recommended for optimal adhesion
- Do not apply to damaged, broken, infected or inflamed nails
- Do not apply to skin or surrounding tissue

### Application

Apply over a fully cured base gel. Build the desired nail architecture using a brush, working in thin, controlled layers. The self-leveling formula settles evenly with minimal effort. Cure after each layer. Suitable for no-file technique. Finish with a top coat from the Spotlight Cosmetics range.

### Cure Times

LAMP TYPE	WATTAGE	CURE TIME
UV lamp	36W	2 min
LED lamp (405nm)	9W	1 min
Hybrid UV/LED	36W	1 min

Cure times may vary depending on lamp model, layer thickness, and product shade. Always ensure full cure before proceeding.

### Storage & Handling

- Store at 15–25°C in a cool, dark place
- Keep away from direct light, heat and open flame
- Keep container tightly closed when not in use

### Shelf Life

Up to 12 months from production date, if stored under proper conditions.

### Professional Use

This product is manufactured for professional use only. Spotlight Cosmetics B.V. accepts no liability for results arising from incorrect application, incompatible equipment, or use by untrained individuals. By purchasing, the Purchaser accepts full responsibility for correct use and onward distribution in accordance with applicable regulations.

### Liability

Spotlight Cosmetics B.V. accepts no liability for adhesion failure, incomplete cure, adverse reactions, or unsatisfactory results arising from incompatible lamp equipment, incorrect application, deviation from this protocol, or use by untrained individuals. The Purchaser assumes full responsibility for verifying product performance under their specific working conditions prior to professional use.
