

## Matte Velour Top - no tack 3F

is a top coat with a soft-touch, velvet matte finish. It provides a long-lasting matte effect without a sticky layer and is suitable for all gel systems.

Velvet-matte finish · No tacky layer · Long-lasting matte effect · Professional use only

### Soft-Touch Surface

Luxurious velvet texture on the nail

### Color Stable

Does not yellow on light and pastel shades

### True Matte — Always

Maintains the matte effect for the full duration of wear

### Universal Top Coat

Compatible with all gel systems

### Preparation

- Nail must be clean, dry and properly prepared
- Remove all shine from the nail plate
- Remove all dust from the nail plate
- Apply over a fully cured gel color or builder layer
- Do not apply to damaged, broken, infected or inflamed nails
- Do not apply to skin or surrounding tissue

### Application

Apply over a fully cured gel color or builder layer. Do not apply in excess. Cure immediately after application.

### Cure Times

LAMP TYPE	WATTAGE	CURE TIME
UV lamp	36W	2 min
LED lamp (405nm)	9W	1 min
Hybrid UV/LED	36W	1 min

*Cure times may vary depending on lamp model, layer thickness, and product shade. Always ensure full cure before proceeding.*

### Storage & Handling

- Store at 15–25°C in a cool, dark place
- Keep away from direct light, heat and open flame
- Keep container tightly closed when not in use

### Shelf Life

Up to 12 months from production date, if stored under proper conditions.

### Professional Use

This product is manufactured for professional use only. Spotlight Cosmetics B.V. accepts no liability for results arising from incorrect application, incompatible equipment, or use by untrained individuals. By purchasing, the Purchaser accepts full responsibility for correct use and onward distribution in accordance with applicable regulations.

### Liability

Spotlight Cosmetics B.V. accepts no liability for adhesion failure, incomplete cure, adverse reactions, or unsatisfactory results arising from incompatible lamp equipment, incorrect application, deviation from this protocol, or use by untrained individuals. The Purchaser assumes full responsibility for verifying product performance under their specific working conditions prior to professional use.
