

Max Strength Builder Gel 3F

is a high-performance builder gel developed for maximum durability and wear resistance. Its strong, stable structure provides excellent support for all types of nail enhancements — particularly suited for clients with active lifestyles or problematic nail types prone to lifting or breaking. Medium viscosity with self-leveling properties makes it easy to work with and ideal for the "no file" technique.

Maximum durability · Strong gel, suitable for long nails · No-file gel · Professional use only

Maximum Strength

High-performance structure built for exceptional durability and wear resistance

Active Lifestyle

Ideal for clients prone to lifting, breaking or high mechanical nail stress

Self-Leveling

Medium viscosity formula that settles evenly with minimal effort

All Enhancement Types

Suitable for overlays, reinforcements, extensions and sculpted nails

Preparation

- Nail must be clean, dry and properly prepared
- Remove all shine from the nail plate
- Remove all dust from the nail plate
- Dehydrate the nail plate and apply a primer before application
- Apply over a fully cured base gel
- Do not apply to damaged, broken, infected or inflamed nails
- Do not apply to skin or surrounding tissue

Application

Apply over a fully cured base gel. Build the desired nail architecture using a brush, working in thin, controlled layers. The self-leveling formula settles evenly with minimal effort. Cure after each layer. Suitable for no-file technique. Finish with a top coat from the Spotlight Cosmetics range.

Cure Times

LAMP TYPE	WATTAGE	CURE TIME
UV lamp	36W	2 min
LED lamp (405nm)	9W	1 min
Hybrid UV/LED	36W	1 min

Cure times may vary depending on lamp model, layer thickness, and product shade. Always ensure full cure before proceeding.

Storage & Handling

- Store at 15–25°C in a cool, dark place
- Keep away from direct light, heat and open flame
- Keep container tightly closed when not in use

Shelf Life

Up to 12 months from production date, if stored under proper conditions.

Professional Use

This product is manufactured for professional use only. Spotlight Cosmetics B.V. accepts no liability for results arising from incorrect application, incompatible equipment, or use by untrained individuals. By purchasing, the Purchaser accepts full responsibility for correct use and onward distribution in accordance with applicable regulations.

Liability

Spotlight Cosmetics B.V. accepts no liability for adhesion failure, incomplete cure, adverse reactions, or unsatisfactory results arising from incompatible lamp equipment, incorrect application, deviation from this protocol, or use by untrained individuals. The Purchaser assumes full responsibility for verifying product performance under their specific working conditions prior to professional use.
