

Polyacryl Gel 3F

Our absolute bestseller, combines the best features of acrylic and gel into a lightweight, strong, and highly elastic system. With a buttery consistency and extremely fine-grained texture, it's easy to control and ideal for creating natural overlays or sculpted extensions — even on problematic nails.

Available in: • Clear / Advanced clear (super-transparent) • Cover shades • Pastel shades • Shimmer • Mermaid (large glitter) • Holographic

Light, strong and flexible · Good adhesion · No heat sensation under the lamp · Professional use only

Buttercream Consistency

Smooth, fine-grained texture that is easy to control and shape

No Heat Spikes

Comfortable curing experience even on sensitive nail types

No Shrinkage

Maintains pinched shape and apex even on long nails

Excellent Adhesion

On the healthy nails. For thin, very flexible nails, use of base coat is recommended for best results

Preparation

- Nail must be clean, dry and properly prepared
- Remove all shine from the nail plate
- Remove all dust from the nail plate
- Dehydrate the nail plate and apply a primer before application
- Apply a base coat – optional but recommended for thin or very flexible nails
- Do not apply to damaged, broken, infected or inflamed nails
- Do not apply to skin or surrounding tissue

Application

Dip the brush into Polyacryl Solution and pick up the desired amount of product. Apply to the prepared nail plate using light patting motions, keeping the brush close to the surface. Work evenly to build the desired shape and structure. Cure immediately after shaping.

Cure Times

LAMP TYPE	WATTAGE	CURE TIME
UV lamp	36W	2 min
LED lamp (405nm)	9W	1 min
Hybrid UV/LED	36W	1 min

Cure times may vary depending on lamp model, layer thickness, and product shade. Always ensure full cure before proceeding.

Storage & Handling

- Store at 15–25°C in a cool, dark place
- Keep away from direct light, heat and open flame
- Keep container tightly closed when not in use

Shelf Life

Up to 12 months from production date, if stored under proper conditions.

Professional Use

This product is manufactured for professional use only. Spotlight Cosmetics B.V. accepts no liability for results arising from incorrect application, incompatible equipment, or use by untrained individuals. By purchasing, the Purchaser accepts full responsibility for correct use and onward distribution in accordance with applicable regulations.

Liability

Spotlight Cosmetics B.V. accepts no liability for adhesion failure, incomplete cure, adverse reactions, or unsatisfactory results arising from incompatible lamp equipment, incorrect application, deviation from this protocol, or use by untrained individuals. The Purchaser assumes full responsibility for verifying product performance under their specific working conditions prior to professional use.
