

Stamping Gel 3F

is an ultra-dense, highly pigmented gel formulated for precision nail art techniques including stamping, one-stroke designs, aeropuffing and detailed freehand work. The incredibly dense texture picks up and transfers even the finest details with sharp, clean borders — delivering professional-quality results effortlessly. Due to its dense consistency, it must always be applied in thin layers only.

Extra pigmentation · Ultra-dense texture · Multi-technique · Professional use only

Stamping Precision

Dense texture transforms the finest details with sharp, clean borders

Loaded With Pigment

Intense color payoff in a single thin application

Multi-Technique

Suitable for stamping, one-stroke, aeropuffing and freehand nail art

Thin Application Only

Dense formula requires thin layers for full and proper curing

Preparation

- Nail must be clean, dry and properly prepared
- Remove all shine from the nail plate
- Remove all dust from the nail plate
- Apply over a fully cured gel color or builder layer
- Do not apply to damaged, broken, infected or inflamed nails
- Do not apply to skin or surrounding tissue

Application

Apply a thin layer of gel to the stamping plate and remove the excess with a scraper. Transfer the image to the stamp and press firmly onto the prepared nail surface. Cure immediately. Finish with a top coat from the Spotlight Cosmetics range.

Cure Times

LAMP TYPE	WATTAGE	CURE TIME
UV lamp	36W	2 min
LED lamp (405nm)	9W	1 min
Hybrid UV/LED	36W	1 min

Cure times may vary depending on lamp model, layer thickness, and product shade. Always ensure full cure before proceeding.

Storage & Handling

- Store at 15–25°C in a cool, dark place
- Keep away from direct light, heat and open flame
- Keep container tightly closed when not in use

Shelf Life

Up to 12 months from production date, if stored under proper conditions.

Professional Use

This product is manufactured for professional use only. Spotlight Cosmetics B.V. accepts no liability for results arising from incorrect application, incompatible equipment, or use by untrained individuals. By purchasing, the Purchaser accepts full responsibility for correct use and onward distribution in accordance with applicable regulations.

Liability

Spotlight Cosmetics B.V. accepts no liability for adhesion failure, incomplete cure, adverse reactions, or unsatisfactory results arising from incompatible lamp equipment, incorrect application, deviation from this protocol, or use by untrained individuals. The Purchaser assumes full responsibility for verifying product performance under their specific working conditions prior to professional use.
