

## Stiletto Sculpt Builder Gel 3F

is a precision builder gel engineered for extreme nail shapes and dramatic architecture. Developed specifically for stiletto, edge and salon square styles, it delivers exceptional structure retention and high control throughout the sculpting process. The medium-high viscosity moves when manipulated and holds shape when still — giving the technician full command over even the most demanding nail extensions.

Extreme shape control · High structure retention · Precision sculpting · Professional use only

### Extreme Shapes

Engineered for stiletto, edge and salon square nail architecture

### Structure Retention

Holds shape during sculpting and maintains it after curing

### Precision Control

Medium-high viscosity for full command over long extensions

### No File Technique

Self-leveling with manual control, suitable for no-file application

### Preparation

- Nail must be clean, dry and properly prepared
- Remove all shine from the nail plate
- Remove all dust from the nail plate
- Dehydrate the nail plate and apply a primer before application
- Apply over a fully cured base gel
- Do not apply to damaged, broken, infected or inflamed nails
- Do not apply to skin or surrounding tissue

### Application

Apply over a fully cured base gel. Build the desired nail architecture using a brush, working in thin, controlled layers. The self-leveling formula settles evenly with minimal effort. Cure after each layer. Suitable for no-file technique. Finish with a top coat from the Spotlight Cosmetics range.

### Cure Times

LAMP TYPE	WATTAGE	CURE TIME
UV lamp	36W	2 min
LED lamp (405nm)	9W	1 min
Hybrid UV/LED	36W	1 min

Cure times may vary depending on lamp model, layer thickness, and product shade. Always ensure full cure before proceeding.

### Storage & Handling

- Store at 15–25°C in a cool, dark place
- Keep away from direct light, heat and open flame
- Keep container tightly closed when not in use

### Shelf Life

Up to 12 months from production date, if stored under proper conditions.

### Professional Use

This product is manufactured for professional use only. Spotlight Cosmetics B.V. accepts no liability for results arising from incorrect application, incompatible equipment, or use by untrained individuals. By purchasing, the Purchaser accepts full responsibility for correct use and onward distribution in accordance with applicable regulations.

### Liability

Spotlight Cosmetics B.V. accepts no liability for adhesion failure, incomplete cure, adverse reactions, or unsatisfactory results arising from incompatible lamp equipment, incorrect application, deviation from this protocol, or use by untrained individuals. The Purchaser assumes full responsibility for verifying product performance under their specific working conditions prior to professional use.
